TruFASTEN Torque Wrenches

TruFASTEN Torque Wrenches fasten PFA and PVDF nuts to the required torque value which ensures leak-free flared fitting assemblies.

Key Features

- Wrenches are calibrated to preset torque values based on nut size.
- Wrench claw clicks over when required torque value is reached.
- Ratcheting action allows the nut to be rapidly tightened, making jobs easier and faster.
- Wrenches fit in the palm of a hand easily allowing use in hard to reach places.
- Available for PFA and PVDF nuts.
